## Research

Elephant Rescue is your source for the latest data and reporting on the safety and wellbeing of African elephants.

Here, you'll find insightful case studies, interviews, and up-to-date research highlighting the challenges elephants face from poaching, captivity, and habitat loss.

Dive into our resources to learn more about how we can secure a safe and healthy future for Africa's elephants.

<b>Executive Briefing: African Elephants</b>  This free, fully-illustrated magazine edition includes twenty-eight pages of the latest information supported by sixty-one references. It's essential for those who care about elephants.  [LEARN MORE] <a href="https://elephantrescue.net/executive-briefing-african-elephants/">https://elephantrescue.net/executive-briefing-african-elephants/</a>	<b>The Plan</b>  Presented succinctly in nine-and-a-half pages, our plan to save elephants from extinction outlines concrete steps that will make a difference on the ground in elephant ranges.  [LEARN MORE] <a href="https://elephantrescue.net/the-plan/">https://elephantrescue.net/the-plan/</a>	<b>Are Zoos Misleading Us?</b>  Read this free expose about the \$16 billion zoo industry and what they don't want the public to know.  [LEARN MORE] <a href="https://elephantrescue.net/zoo-facts/">https://elephantrescue.net/zoo-facts/</a>	<b>Elephant Birth Control</b>  This birth control plan is the best alternative to culling elephant herds by hunters, which we never want. Instead, we offer a painless, harmless method of keeping the elephant population growing at a reasonable birth rate.
